VIDEOS SCREENS & BACKDROP

We inform you that for security reasons relating to safety standards it is strictly forbidden to hang all sorts of backdrops, screens and other decorations that would require holding on to the scene structure, without consent of the stage company Stacco.

The Arena is an outdoor site subject to strong winds random, for everyone's safety and proper functioning of our production please take careful note of this prerogative

Below, you'll find the specs of sounds and lights provided by the festival. The festival won't be able to pay for any extra equipments. You'll find at your arrival, the lighting plots like on our drawing

GENERAL INFORMATIONS

ARENES DE NIMES AREA

The antic Arena of Nîmes is 2000 years old.

This is just an amazing site.

The site is visited every day from 9.00 am to 3.00 pm, due to those audio guided visits, sound is forbidden till 3.00pm. (FOH + MONITOR + BACKLINE)

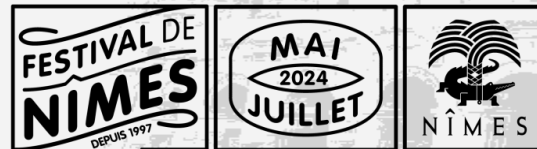

This site is under protection and under very strict security rules which are non-negotiable .

Any transformation or special request must be treated by the production security commission.

Security rules are issued by the Nîmes city office.

If you have any request or any question don't hesitate to contact us, we will do our best to help you as much as we can.

Looking forward to welcoming you in The Nimes' Arenas
